This matter comes before the Public Service Commission of South Carolina (the Commission) on the Petition of Ralph W. Longshore, Sr. to be allowed to intervene out of time in the proceeding for approval of adjustment of sewer collection rates and charges of Moore Sewer, Inc. (Moore Sewer or Applicant) and for approval of certain of its contractual relationships. Mr. Longshore's Petition was filed with the Commission June 10, 2002.

Mr. Longshore, in support of his Petition to Intervene, asserts that he did not receive the application on Moore Sewer's request for changes in the Company's rates in time to properly intervene in this matter. As one contributing factor, Mr. Longshore states that he was on a previously scheduled vacation. According to Mr. Longshore, several attempts were made by him to obtain a copy of Moore Sewer's Application and that he did not obtain a copy until recently at his request from another individual. Mr. Longshore states that he wishes to participate in the hearing scheduled for this matter and petitions the Commission for approval to intervene out of time.

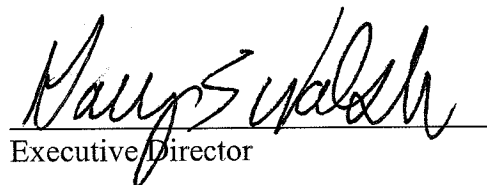

After full consideration of the issues set forth by Mr. Longshore, we hereby grant the Petition for intervention out of time.

This Order shall remain in full force and effect until further Order of the Commission.
